### Spring is Here...

I believe spring is a time of renewal, hope and celebration. The sun begins to shine a little more, the flowers begin to bloom and the time comes to put away our winter coat and rain boots in exchange for short sleeves and sneakers. This time of year is Mother Nature's way of telling us to go outside.

What better way to celebrate that spring is here than to enjoy what nature and the Town has to offer in its parks? Whether you want to play catch with your kids, take a walk with that special someone, or have a barbeque with 25 of your closest friends, the Town parks are just the right place for you.

The Town has five parks that offer picnic areas for any occasion and playgrounds at each site that my six-year-old daughter has deemed as "Amazing!" These parks also have other amenities to help you play and enjoy spring that include baseball fields, tennis courts, bocce ball courts at Sycamore Valley Park and sand volleyball courts at Diablo Vista Park, Hap Magee Ranch Park and Oak Hill Park. If the amenity you are looking for is a nice shady spot for a group then Osage Station Park is the park to visit as it provides not only the largest number of picnic tables but the most shade during a warm afternoon.

Spring is here so go outside, read the Activity Guide, find the right class or program that helps you celebrate and enjoy our parks because *Parks Make Life Better!*

### Residency Status Clarification

For residents outside the incorporated Town of Danville limits: Those living outside the Danville Town limits include residents of the communities of Alamo and Diablo, and Alamo Creek, Bettencourt Ranch, Blackhawk, Bryan Ranch, Monterosso, Shadow Creek and Whitegate housing developments.

The program and facility fees cover a large portion of the actual costs, though Town of Danville residents also partially support the classes, events and facilities through their property tax assessments. Because of this, those program participants and individuals reserving Town facilities who live outside of Danville pay an additional non-resident charge. If you have any questions about this information, call 314-3400.

### Americans with Disabilities Act

In compliance with the Americans with Disabilities Act (ADA), the Town of Danville encourages those with disabilities to participate in our programs. If you have any special needs that require specific accommodations so you can fully enjoy our classes and programs, please call the Danville Community Center at (925) 314-3400.

### Legal Holidays Observed

Classes will not take place on the following dates:

**Mail-In:** Danville Community Center, Attn: Class Registrations, 420 Front Street, Danville, CA 94526

### How do I select my child's class level?

Read the class descriptions in the order listed. Register your child for the first class level that describes skills that s/he has not yet mastered. Call 314-3400 for additional assistance.

### Will classes be held in the rain?

Generally, classes will be held during inclement weather. However, the pool will be closed and classes cancelled if there is lightning.

### What happens if my child passes the class, but I registered him for the same level next session?

If there is space available, your child will be transferred to the correct level.

### Is it possible to make up a class that my child missed due to illness or vacation?

Unfortunately, we are not able to accommodate class make-ups.

**Can I request a specific teacher?** You can make a request for a specific instructor, but realize that our swim instructors rotate between different pools, class levels and times. Due to the large number of classes we offer, we cannot guarantee we can meet your request, but we will try our best.

**I am an adult. Can I take lessons?** Yes! We offer private adult swim lessons at various times throughout the day at Monte Vista Community Pool. See page 14.

### AQUATOTS: PARENT AND CHILD AQUATICS (Age 6 months-3 years)

Aquatots is a class for adult with child ages 6 months-3 years that emphasizes water adjustment and enjoyment through fun game and songs led by a swim instructor. The adult participants will learn how to safely handle their infants or toddlers in and around the water as well as lay the foundation for future aquatic skills. The group lesson format includes eight 25-minute classes which are held Monday through Thursday for two weeks. When necessary, students may be asked to move to an earlier or later class time. If a class is full, please add your child to the waitlist in case we are able to accommodate more participants. Swim diapers required.

**PRESCHOOL AQUATICS PROGRAM (Age 3–5 years)**

This program consists of two levels and is designed for children ages 3–5. Children registered for Preschool Aquatics must be ready to learn without parent participation. The group lesson format includes eight 25-minute classes which are held Monday–Thursday for two weeks. When necessary, students may be asked to move to an earlier or later class time. If a class is full, please add your child to the waitlist in case we are able to accommodate more participants. 1:3 instructor to child ratio.

The Town of Danville is pleased to offer a water safety dock. Although we emphasize hanging on to the wall, this dock allows children to stand in the pool with a secure railing around them.

**FREE SWIM LESSONS @ STAFF TRAINING (Age 3–12 years)**

Complimentary lessons in exchange for helping our aquatics staff practice their teaching techniques with children at various ages.

### MIDDLE SCHOOL STUDENT UNIONS

Age 10-14Y Town Staff

The Student Unions provide middle school students a safe and fun place to go after school. While quality staff provides options for structured daily activities, there are plenty of opportunities to just hang out and do your own thing. All sites have pool tables, X-Box 360 game consoles, flat screen TVs, sports equipment, snack bars, computer access, and much more. Students are able to sign themselves in and out; however, they are required to leave campus once they sign out. The Student Unions will be open for any early release days and are closed during non-school days and holidays. This program is provided at no fee, but you must register before you attend the program. Upon registration, you will receive an informational packet with all of our policies and forms to be completed and turned in on the first day attended. For more information visit [www.danville.ca.gov](http://www.danville.ca.gov) (Search: Middle School).

# The Village Theatre Celebrates its 100th Year!

Fraternal and Social Hall, 1943. Photo by Neva Ritch, courtesy of Museum of the San Ramon Valley.

Of all the old buildings here in Danville, the Village Theatre has been an essential gathering place for the Danville community. It has a long and storied history as a friend to the local community. Whether it was someone's first kiss in the balcony or the site of a young actor's first performance, many locals have some very fond memories created here at 233 Front Street.

In 1912 three groups, Grange, International Order of Odd Fellows No. 378 and Rebekahs decided to construct a large building with the old Grange Hall as the second floor. The new Social and Fraternal Hall at 233 Front Street was completed in 1913. The opening party on November 28, 1913, included a grand march, inaugural addresses, and dancing with music provided by the Merzbach orchestra from San Francisco. From that moment the Village Theatre has since played a vital role within this community. The building housed many social gatherings such as high school graduations, parties, meetings, plays and musicals, dances and many more.

The Town of Danville invites you to step inside and enjoy all of the entertainment we have to offer in the Village Theatre's historical 100th year. Stay tuned for special events surrounding this monumental occasion which will comprise of social gatherings and events that embody all the uses from years past. The grand finale that will take place in November of 2013.

**Do you have a special memory that occurred at the Village Theatre you would like to share?**

**The Town is looking to you for stories that can be a part of the Final Event Celebration scheduled for November 29, 2013.**

To submit your story, email it to [vt100years@danville.ca.gov](mailto:vt100years@danville.ca.gov), mail it to 100th Anniversary Celebration Story, 233 Front Street, Danville, CA 94526 or you may drop it off in the Village Theatre mailbox, located on the left hand side of the building at 233 Front Street.

## CERT: Are you part of it?

### If you have not signed up for an emergency preparedness class, now is the time!

CERT provides education regarding disaster preparedness for hazards that may impact their area while training citizens in basic emergency response. You develop skills in areas such as: fire safety, light search and rescue, team organization, and disaster medical operations. The goal is to train you, your neighbors, school staff and co-workers on how to care for themselves, their families and colleagues for 5–7 days after a disaster.

All CERT courses are FREE and are held at the SRV Fire Offices at 1500 Bollinger Canyon Rd, San Ramon.

### For more information, or to sign up for a CERT course, please go to:

[www.firedepartment.org](http://www.firedepartment.org)

and click on Community Outreach.
