Learn **First Aid & CPR skills**. Contact your local American Red Cross chapter for information & training.

Emergency Kit for Car

Tailor the kit to fit your lifestyle. If you travel frequently or for long distances, that should factor into what you should include:

Battery powered radio	Non-perishable food
Battery powered flash light	-(energy bars, dried fruit, etc.)
Extra batteries	Plastic bags
Blanket	Maps, shovel, flares
First aid kit & manual	Booster cables
Water	Flares
Comfortable athletic shoes	Playing cards

Additional Tools & Supplies for Consideration

In addition to water, food, flashlights, blankets, fire extinguisher, etc., consider the following additions to your kit.

Cash or traveler's checks	Compass / GPS
Coins / change	Matches in waterproof box
Non-electric can opener	Candles
Utility knife	Aluminum foil
Pliers	Plastic storage container
Shut-off wrench	Flares
Whistle	Paper & pencil
Plastic sheeting	Needle & thread
Plastic bags	Medicine dropper
Tube tent
