

*"Small Town Atmosphere  
Outstanding Quality of Life"*

## Town of Danville Update: 4.20.20

### Town Council Teleconference Meeting Tuesday 4.21.20

We would like to remind residents that the Danville Town Council will be holding their meeting tomorrow, April 21, 2020, at 5:00 p.m. online using the Zoom app. The online meeting is being done to allow the council to meet while still adhering to the ongoing Shelter in Place Order. Residents are invited to watch the council meeting via the Zoom app (information and agendas for the meeting are available at [www.danville.ca.gov/agendas](http://www.danville.ca.gov/agendas)), or the meeting will be livestreamed onto the Town of Danville website [www.danville.ca.gov](http://www.danville.ca.gov).

Residents wishing to comment on items on the agenda, or under 'For the Good of the Town,' must do so by providing written comments. The comments will be read into the record during the meeting by City Clerk Marie Sunseri. Comments must be emailed to [cityclerk@danville.ca.gov](mailto:cityclerk@danville.ca.gov) by no later than 4:00 p.m. on Tuesday, April 21, 2020.

### Drivers Reminded to Curb Speed

With many people staying home due to the Shelter in Place Order, roadways throughout the area are much less crowded than usual. As a result, some drivers have been taking advantage of the open space to speed. The Danville Police Department wishes to remind motorists to keep to the posted speed limits or face citations and fines.

### Help Support Local Businesses

Our local small businesses are experiencing serious loss of revenue as a result of the Shelter in Place Order. The community has been helping in many ways, such as continuing to purchase takeout from restaurants that have been able to shift to a pick-up/delivery service model. But there are other businesses that are unable to make that shift and need help as well.

To help our businesses, the Danville Area Chamber of Commerce has started a Small Business Relief Fund to help businesses hard hit in the Alamo, Blackhawk, Danville and Diablo areas. A website has been set up where residents can buy #supportsmallbusiness t-shirts, with proceeds going into the relief fund. To purchase a t-shirt, go to <http://campaigns.threads.com/shop/small-business-relief>. For those who may not wish to buy a t-shirt, but would still like to donate, go to the Chamber's website at [www.danvilleareachamber.com](http://www.danvilleareachamber.com).

Additionally, the National League of Cities is looking for support to get more local assistance put into the most current version of the Emergency Coronavirus Stimulus Package. The NLC is looking to make sure that the package includes a fair and direct allocation of federal funds to each and every local government, regardless of population. To reach out to your member of congress in support of your town, go to [https://nlc.quorum.us/campaign/25876/?utm\\_campaign=covid19&utm\\_medium=email&utm\\_source=informz&utm\\_content=action-alert-04182020&utm\\_term=text-stimulus-3.5-bill-action](https://nlc.quorum.us/campaign/25876/?utm_campaign=covid19&utm_medium=email&utm_source=informz&utm_content=action-alert-04182020&utm_term=text-stimulus-3.5-bill-action)
