

# HEARTS AROUND HARTZ

## SMALL TOWN, BIG HEARTS

HEART #11

ARTIST: ERIN COLCORD

### Artist's Inspiration:

“When lit by the sun, this heart gleams out at all, much as all our hearts might when lit by love for others. Upon closer inspection, the viewer sees their own self, reflected and fragmented in the heart’s mirrors. Here, we get the opportunity to see that we, including our faults, are also the beloved.”
