

HEARTS AROUND HARTZ

SMALL TOWN, BIG HEARTS

HEART #4

ARTIST: ENTROPY

Artist's Inspiration:

“Lionheart is dedicated to all those brave souls who have changed the world, but haven't forgotten their roots. Danville has many pioneers and notable citizens that draw their creativity from the community. They are like the 350-years-old Oak tree in Danville - firmly planted and deep-rooted - symbolizing permanency, as they make new connections and take opportunities.”
