

HEARTS AROUND HARTZ

SMALL TOWN, BIG HEARTS

HEART #9

ARTIST: DEBORAH SHEA

Artist's Inspiration:

"I have a strong emotional connection with roses. I have wonderful memories of working with my grandmother in her rose garden with the warm sun shining, the heavenly perfume of the flowers and the blue sky. The inspiration for this Red Velvet was the stunning beauty of the red rose, the challenge of depicting the colors, the lighting in the lovely folds of the petals and the manifestation of my memories for all to experience."
