

Irenka Kudlicki  
Acrylic and Mixed Media on Panel  
13" x 13"  
\$520.00

For me, painting is a voyage of discovery. My work reflects the places I visit and the colors, and the shapes I find along the way. Part of my process is playing with depth, foreground, pattern, and emotion. Building layers of paint, scraping, and reworking the surface reflects my joy of creating new stories for the viewers. I don't limit myself to one style. Inspiration and ideas change, knowledge changes and we evolve.
