

## FALL EVENTS

### Candy Drive -

The Candy Drive Subcommittee worked with Treats for Troops to collect candy from the local community. The candy collected is then deployed to service members and veterans after Halloween. By advertising their mission at schools, Facebook groups, and the Treats for Troops website, the Candy Drive raised over 100 pounds of candy! This would not have been possible without the generous support of our community members and families.

### Foster Care Kits (Supply Drive) -

In an effort to support foster children in and around Contra Costa County, the Foster Care Kits Subcommittee collected items such as shampoo, toothpaste, lotions, socks, backpacks, and much more. After collecting the items by advertising at schools, facebook groups, and social media, this subcommittee was able to collect all of the necessary supplies. These items were then sorted and packaged to be sent to the local foster relief group Vestia, to support fostered children in our community.

The Community Center  
420 Front Street, Danville CA  
Monday - Thursday (8am-5pm), and  
Friday (8am-1pm)

The Danville Youth Council is  
collecting goods to donate to Vestia  
for our

# SUPPLY DRIVE

for children in foster care and  
children in need.

Nov 17- Dec 3

Donate travel toothpaste, shampoo bottles,  
hand sanitizer, hand lotions, socks of all sizes,  
and backpacks.

\*Everything must be new except for the  
backpacks, which may be gently used but must  
be clean.

Make  
Life  
Better!

## SPRING EVENTS

### **The Amazing Race -**

The Amazing Race is a fantastic annual event held by the DYC that aims to provide elementary and middle schoolers an engaging and memorable experience. In march, participants form teams of 4-5 and race to complete a series of riddles, puzzles, and challenges across Danville. In order to make this event a success, the DYC will reach out to local businesses in Danville who are willing to host a themed activity or challenge. This is a great opportunity to introduce the teams to new businesses that they may not have been familiar with previously.

### **Earthtastical -**

As a new event this year, the DYC planned and hosted an Earth Day themed event tailored to excite elementary schoolers about taking care of their planet. All of the activities were engaging while instilling good habits such as a paper toss to promote recycling. Every participant was engaged throughout and left with their very own potted plant!

### **Relax and Reset -**

For the past few years the DYC has wanted to address teen mental health within the community, especially during AP testing and finals. The Relax and Reset Event was aimed to provide teens with an afternoon of relaxing crafts such including: tote bags, origami, potting, snacks, minigolf, connect four, and more. Later a movie (Inside Out) was played. The event had no pre-registration and anyone could come-and-go at any time; however, there were less participants than expected. The DYC is considering reorganizing this event in the fall, with pre-registration and more advertising to attract more participants.
